KYNETON SPRINGS MOTEL PHOTOSHOOTS

Photoshoots at the Kyneton Springs Motel are a common request due to its photographic backdrop, unique design and proximity to Melbourne and the airport. We get many requests to use the space for film and photographic projects.

We are delighted when people take images of the Kyneton Springs Motel, however photoshoots can be disruptive to motel guests and the broader customer experience.

The Kyneton Springs Motel is a privately owned and operated business. As such, we reserve the right to charge a commercial fee for the use of the space. This arrangement is similar for all private residences or spaces leased for media hire.

If you are interested in hiring our space for media use, please feel free to contact us on (03) 5422 1098. We'd be happy to work with you to meet your media goals.

KYNETON SPRINGS MOTEL PHOTOSHOOTS HIRE FEES
