

# Undiscovered

A scenic landscape photograph of a lake at sunset. The sky is filled with soft, warm colors of orange, pink, and purple. In the background, there are dark, silhouetted mountains. The middle ground shows a calm body of water reflecting the sky and the surrounding greenery. The foreground is dominated by the reflection of the sky and the water's surface. The overall mood is peaceful and serene.

### NEED DIGS FOR THE NIGHT?

We love the meticulously renovated, mid-century stylings of the **Kyneton Springs Motel**, whose bright, neon-lit arrow guides you into a nostalgic stay just a little further up Piper St from Stockroom. No two rooms have been styled the same, but they all provide modern amenities, even if the wallpaper is straight out of Graceland and your brekkie arrives through a hatch in the wall.
